FOR FATHERS

Parenting-Time Log

Use one row per visit or call. Record dates, times, and what you personally observed.
Identify any supporting record by its date or filename so you can find the original.

Court order dated _____ **Period covered** _____

What the order says Page or paragraph	**What was scheduled** Date, time, and place	**What happened** Actual time and observations	**Supporting record** Date, filename, or reference

Print additional copies as needed.
